11.2 Landlord's Approval

Before commencing any repairs, replacements, maintenance, alteration, decoration or improvements set out above, or elsewhere referred to in this Lease, the Tenant shall obtain the Landlord's written approval, which shall not be unreasonably withheld, and shall, if required by the Landlord to do so, submit plans and specifications therefor. Any repairs, replacements, maintenance, alterations, decorations or improvements so done by the Tenant shall be carried out in a good and workmanlike manner and shall be to a standard in keeping with the appearance and character of a first class retail building.

11.3 Landlord May Perform

If the Tenant refuses or neglects to repair property as required hereunder and to the reasonable satisfaction of the Landlord, the Landlord may make such repairs without liability to the Tenant (excepting the Landlord's gross negligence) for any loss or damage that may accrue to the Tenant's merchandise, fixtures or other property or to the Tenant's business by reason thereof, and upon completion thereof, the Tenant shall pay the Landlord's actual reasonable costs in the circumstances plus 10% for making such repairs, forthwith upon presentation of a bill therefor.

11.4 Heating, Ventilating and Air-Conditioning Equipment

Notwithstanding Section 11.1 (a), at the Landlord's option, the Landlord may, at any time or from time to time, on the Tenant's behalf, maintain and make repairs and replacements to the heating, ventilating and air-conditioning equipment in the Leased Premises, but the Tenant shall pay to the Landlord as Additional Rent, the cost of such maintenance, repairs and replacements including depreciation and carrying costs at Twelve (12%) Percent per annum.

ARTICLE XII - INSURANCE AND INDEMNITY

12.1 Tenant's Insurance

The Tenant shall during the entire Term hereof, take out and keep in full force and effect:

(a) Commercial General Liability Insurance (including Non-Owned Automobile) written on an occurrence basis with respect to the business carried on, in, or from, the Leased Premises and the Tenant's use and occupancy of the Leased Premises and of any other part of the Shopping Centre, with coverage for any one occurrence or claim of not less than THREE MILLION ($3,000,000) DOLLARS inclusive limits or such other amount as the Landlord may reasonably require upon not less than Thirty (30) days' notice at any time during the Term. Such insurance shall include the Landlord as an Additional Insured and shall protect the Landlord in respect of claims by the Tenant as if the Landlord were separately insured;

(b) All Risks Insurance upon its merchandise, stock in trade, furniture, fixtures and Leasehold and Tenant's Improvements for not less than the full replacement value thereof, and which insurance shall include the Landlord as an Additional Insured as the Landlord's interest may appear;

(c) Business Interruption insurance in such amounts from time to time as necessary to compensate the Tenant for direct or indirect loss of sales or earnings resulting from the perils commonly included in all risk insurance and all other circumstances usually insured against by cautious tenants, including any losses resulting from interference with or prevention of access to the Leased Premises or the Shopping Centre as a result of such perils or for any other reason;

(d) Tenant's Legal Liability insurance for the full replacement cost of the Leased Premises, and loss of use thereof;

(e) Standard Owner's form of Automobile Insurance policy providing third party liability insurance with inclusive limits of such amounts required by the Landlord but, in any event, not less than ONE MILLION ($1,000,000) DOLLARS inclusive limits, and all other usual benefits covered by such form of policy from time to time, covering all licensed vehicles owned by or operated on behalf of the Tenant;

(f) Insurance against destruction or damage caused by such perils usually covered in an all risk policy on all glass and store front and store facing materials in or about the Leased Premises; and

(g) Insurance against such other perils and in such amounts as the Landlord or any mortgagee, debenture holder or other secured creditor of the Landlord may from time to time reasonably require upon not less than Ninety (90) days written notice, such requirement to be made on the basis that the required insurance is customary at the time for prudent tenants of properties similar to the Shopping Centre.

All insurance required to be maintained by the Tenant shall be on terms and with insurers satisfactory to the Landlord. The insurance policy (or policies, if applicable) shall contain a waiver by the insurer of any rights of subrogation or indemnity or any other claim over which the insurer might otherwise be entitled against the Landlord or the agents or employees of the Landlord, and shall also contain an undertaking by the insurer that no material change adverse to the Landlord or the Tenant will be made, and the policy will not lapse or be cancelled, except after not less than Thirty (30) days written notice to the Landlord of the intended change, lapse or cancellation. The Tenant shall furnish to the Landlord, if and whenever requested by it, certificates or other evidences acceptable to the Landlord as to the insurance from time to time effected by the Tenant and its renewal or continuation in force, together with evidence as to the method of determination of full replacement cost of the Tenant's Leasehold Improvements, trade fixtures, furniture and equipment, and if the Landlord reasonably concludes that the full replacement cost has been underestimated, the Tenant shall forthwith arrange for any consequent increase in coverage required under this Section 12.1. If the Tenant shall fail to take out, renew and keep in force such insurance, or if the evidences submitted to the Landlord are unacceptable to the Landlord (or no such evidences are submitted within a reasonable period after request therefor by the Landlord), then the Landlord may give to the Tenant written notice requiring compliance with this Section and specifying the respects in which the Tenant is not then in compliance with this Section. If the Tenant does not within Forty-Eight (48) hours provide appropriate evidence of compliance with this Section, the Landlord may,

(but shall not be obligated to) obtain some or all of the additional coverage or other insurance which the Tenant shall have failed to obtain, without prejudice to any other rights of the Landlord under this Lease or otherwise, and the Tenant shall pay to the Landlord on demand all premiums and other reasonable expenses incurred by the Landlord.

12.2 Limitation of Landlord's Liability

The Tenant agrees that the Landlord shall not be liable for any bodily injury or death of, or loss or damage to any property belonging to the Tenant or its employees, invitees or licensees or any other person in, on or about the Shopping Centre unless resulting from the actual wilful misconduct or gross negligence of the Landlord or its own employees. In no event shall the Landlord be liable for any damage which is caused by steam, water, rain or snow or other thing which may leak into, issue or flow from any part of the Shopping Centre or from the pipes or plumbing works, including the sprinkler system (if any) therein or from any other place or for any damage caused by or attributable to the condition or arrangement or any electric or other wiring of sprinkler heads (if any) or for any damage caused by any other tenant.

12.3 Indemnity of Landlord

Except with respect to claims or liabilities in respect of any damage which is Insured Damage to the extent of the cost of repairing such Insured Damage, the Tenant agrees to indemnify and save harmless the Landlord in respect of:

(a) all claims for bodily injury or death, property damage or other loss or damage arising from the conduct of any work or any act or omission of the Tenant or any assignee, sub-tenant, agent, employee, contractor, invitee or licensee of the Tenant, and in respect of all costs, expenses and liabilities incurred by the Landlord in connection with or arising out of all such claims, including the expenses of any action or proceeding pertaining thereto; and

(b) any loss, cost, (including, without limitation, lawyers' fees and disbursements), expense or damage suffered by the Landlord arising from any breach by the Tenant of any of its covenants and obligations under this Lease.

12.4 Increase in Insurance Premium

The Tenant agrees that it will not keep, use, sell or offer for sale in or upon the Leased Premises an article which may be prohibited by the form of fire insurance policy in force from time to time covering the Shopping Centre. In the event the Tenant's occupancy of, conduct of business in, or sale of any merchandise from, or on the Leased Premises, or in the event any activity carried on or permitted to be carried on by the Tenant whether or not the Landlord has consented to same, causes any increase in premiums for the insurance carried from time to time by the Landlord for the Shopping Centre, the Tenant shall pay any such increase in premium as Additional Rent within ten (10) days after bills for such additional premiums shall be rendered by the Landlord. In determining whether increased premiums are a result of the Tenant's use or occupancy of the Leased Premises, or the sale of any article therein or therefrom, a schedule issued by the organization making the insurance rate on the Shopping Centre showing the various components of such rates shall be conclusive evidence of the several items and charges which make up such rates.

12.5 Definition of "Insured Damage"

For the purposes of this Lease, "Insured Damage" means that part of any damage occurring to the Shopping Centre of which the entire cost of repair (or the entire cost of repair other than a deductible amount properly collectable by the Landlord as part of the Additional Rent) is actually recovered by the Landlord under a policy or policies of insurance from time to time effected by the Landlord pursuant to subparagraph 15.1(c). Where an applicable policy of insurance contains an exclusion for damages recoverable from a third party, claims as to which the exclusion applies shall be considered to constitute Insured Damage only if the Landlord successfully recovers from the third party.

ARTICLE XIII - ASSIGNMENT AND SUBLETTING

13.1 The Tenant shall not assign this Lease in whole or in part, nor sublet all or any part of the Leased Premises, nor grant any license or part with possession of the Leased Premises or transfer any other right or interest under this Lease, or, if the Tenant is a corporation, cause or permit to occur either directly or indirectly any change in its ownership or control, unless (i) it has been in

possession of the Leased Premises and conducting business in the Leased Premises no less than Twenty-Four (24) months following the Commencement Date, and (ii) it shall have received or procured a bona fide written offer to take an assignment or sublease which is not inconsistent with, and the acceptance of which would not breach any provisions of this Lease, and (iii) it shall have first requested and obtained the written consent of the Landlord in each instance, which consent shall not be unreasonably withheld. If at any time effective control of the Tenant is acquired or exercised by any person or persons not having effective control of the Tenant on the date of execution of this Lease, the same shall be deemed to constitute a sublease subject to all of the provisions hereof. Any proposed assignment or sublease shall comply with the provisions of this Section as herein set forth. Any consent given by the Landlord to the Tenant with regard to an assignment or subletting shall be subject to the following conditions:

(a) Notwithstanding any assignment or any sub-lease, the Tenant and any indemnifier shall remain fully liable on this Lease, and shall not be released from performing any of the terms, covenants and conditions of this Lease;

(b) No assignment or sub-lease shall be made or proposed other than to responsible persons, firms, partnerships or bodies corporate who are experienced in and agree to carry on the type of business conducted in the Leased Premises by the Tenant, and who undertake to perform and observe the obligations of the Tenant hereunder by entering into an assignment or sublease agreement directly with the Landlord, with documentation to be prepared by the Landlord at the Tenant's sole cost and expense;

(c) The consent by the Landlord to any assignment or sublease shall not constitute a waiver of the necessity for such consent to any subsequent assignment or sublease; and

(d) If this Lease is assigned or if the Leased Premises or any parts thereof are sublet or occupied by anybody other than the Tenant, the Landlord may, but shall not be obliged to, collect Rent directly from the assignee, sub-tenant or occupant and apply the net amount collected, or the necessary portion thereof, to the Rent herein reserved.

ARTICLE XIV - WASTE, GOVERNMENTAL REGULATIONS

14.1 Waste or Nuisance

The Tenant shall not commit or suffer to be committed any waste upon the Leased Premises or any nuisance or other thing which may disturb the quiet enjoyment of any other tenant in the Shopping Centre.

The Tenant shall, at the Tenant's sole cost and expense, comply with all governmental regulations and requirements concerning Hazardous Substances, environmental waste and contamination. The Tenant shall, at the request of the Landlord or any government authority, remove any Hazardous Substances from the Leased Premises. The Tenant shall report any environmental contamination or order concerning contamination or failure to comply with governmental regulations or requirements immediately to the Landlord and promptly perform any required environmental audit. The Tenant shall be responsible for all costs to clean up any environmental contamination caused as a result of its occupancy regardless of whether the Term has expired.

The Tenant shall provide the Landlord with any information that the Landlord requests (as a prudent Landlord acting reasonably) concerning the nature and conduct of any business operating in the Leased Premises and its compliance with governmental regulations and requirements concerning Hazardous Substances, environmental waste and contamination.

Upon payment by the Tenant of the Rent herein provided, and upon observance and performance of all covenants, terms and conditions on the Tenant's part to be observed and performed, the Landlord hereby covenants with the Tenant:

(a) For quiet enjoyment for the Term hereby granted without hindrance or interruption by the Landlord, or any other person or persons lawfully claiming by, through or under the Landlord;

(b) Subject to Article VII, to pay in the first instance all real property taxes and all other taxes, if any, from time to time payable by the Landlord and levied or assessed against the Shopping Centre;

(c) Subject to Sections 11.4 and 7.1 to maintain, and to insure the Common Area and Facilities and the Shopping Centre as a landlord acting reasonably would do in similar circumstances.

15.2 Loss and Damage

The Landlord shall not be liable for any death or injury, or damage to property of the Tenant or others located on property of the Tenant or of others by theft or otherwise except for the gross negligence of the Landlord and persons for whom the Landlord is in law responsible and for damage or injury resulting from the failure of the Landlord to repair. All property of the Tenant kept or stored on the Leased Premises shall be so kept or stored at the risk of the Tenant only, and the Tenant shall hold the Landlord harmless from any claims arising out of any of the matters mentioned in this Section 15.2.

ARTICLE XVI - CHANGES AND ADDITIONS TO BUILDINGS

16.1 Changes and Additions to Buildings

The Tenant's pylon sign panel shall be purchased from, and installed on the pylon sign by, the sign company selected by the Landlord, at the Tenant's sole cost and expense. The Tenant's signage panel shall comply with the requirements of any governmental or other authority having jurisdiction, and shall be of a type and in a form approved by the Landlord acting reasonably and in compliance with the terms and conditions of this Lease.

17.3 Removal and Restoration by Tenant

All fixtures, improvements and alterations attached to or built into the Leased Premises made by the Tenant, or made by the Landlord, on the Tenant's behalf by agreement or under this Lease, shall be and remain part of the Leased Premises. If the Tenant has paid the Rent hereby reserved and performed the covenants herein contained, the Tenant shall have the right to remove its trade fixtures at the expiration of the Term. The Landlord may, at its option, require the Tenant to remove any Hazardous Substances and any and all of the Tenant's trade fixtures or other fixtures, improvements or alterations attached to or built into the Leased Premises, at the Tenant's sole expense, before surrendering the Leased Premises. The Tenant shall make good any damage (whether caused by the removal of fixtures or otherwise) to the Leased Premises and to the Shopping Centre, and to the heating, ventilation, air-conditioning, plumbing, electrical or other mechanical systems in the Shopping Centre excepting only reasonable wear and tear. Unless otherwise agreed to in writing or unless the Landlord requires their removal as aforesaid, all fixtures, improvements and alterations (other than trade fixtures) attached to or built into the Leased Premises, shall remain upon the Leased Premises and become the property of the Landlord without any payment therefor being made by the Landlord to the Tenant at the expiration or sooner termination of the Term. The covenants herein contained shall survive the termination or expiry of this Lease.

17.4 Not to Overload Floors

The Tenant covenants and agrees that it will not bring upon the Leased Premises or any part thereof, any machinery, equipment, article or thing that by reason of its weight, size or use might reasonably damage the Leased Premises, and will not at any time overload the floors of the Leased Premises, and that if any damage is caused to the Leased Premises by any machinery, equipment, article or thing or by overloading or by any act, neglect, or misuse on the part of the Tenant or its servants, agents or employees or any person having business with the Tenant, the Tenant will forthwith repair the same or pay to the Landlord the cost of making good the same.
